

## POLY STUDIO P5 KITS

Poly Studio P5 Kits have everything you need for a professional video conferencing experience at home or wherever you're working. Each one includes a webcam and headset or personal speakerphone in one package that's easy to set up.

- Everything you need in one box
- Easy to set up
- Free up USB ports and simplify setup by connecting the wireless adapter directly to the webcam (available with wireless kits only)
- Stay in control of settings and updates with the Poly Lens Desktop app
- For IT, be assured everything is up to date and working properly for everyone, whether in the office, at home or on-the-go with Poly Lens
